HARVARD-RELATED LINKS:

Center for International Development

Several scholarships including the doctoral student grant for dissertation research. Graduate students enrolled in any Harvard doctoral program are eligible to apply for up to \$3,500 in funding to support their dissertation research on international development. Awards may be used for modest travel/lodging expenses, and costs associated with data collection, translation, etc. Generally, the successful applicant will have advanced to doctoral candidacy (coursework completed, general examinations passed, dissertation prospectus approved).

<http://www.cid.harvard.edu/cidstudents/opportunities.html>

Harvard Center for Population and Development Studies

The David E. Bell Fellows Program, the Saltonstall Population Innovation Fund, and the Mortimer Spiegelman Fellowships in Demography and Population Studies seek to prepare scholars, managers, policymakers, and graduate students in academic, public and non-governmental institutions for leadership roles in the field of population and development.

Last update: March 2008

NOTES:

- Always go to the sponsor's website for current information.
 - Doctoral students: If eligibility requirements mention only the Ph.D. or Psy.D., get assurance in writing from a program officer involved with the fellowship that Ed.D. candidates may also apply.
-

Good luck!
