

# The HGSE DIRECTORY of FELLOWSHIPS

Funding opportunities for graduate studies,  
especially in the field of education

ABBREVIATED VERSION, BY DEADLINE DATE

**NOTE:** This abbreviated list is drawn from the HGSE Database of Fellowships. The database is now available for use by appointment in the Fellowship Office (See end of document for contact information.)

**The HGSE Fellowship Database has been created over the past eleven years with the intention of creating a resource for the support of graduate studies in the field of education and associated fields.**

The detailed database can be used in the Reference/Research Department at Gutman Library on two terminals, and on one more which is available at times (appointments are recommended) in the Fellowship Office in Longfellow Hall, 15 Appian Way, Cambridge.

**UPDATES** to this list are made periodically, but can't always keep pace with changes in competition requirements, deadlines, and so on. Go to the sponsoring organization for final information.

**CAUTION to DOCTORAL STUDENTS**

If an eligibility description mentions only M.S., Ph.D. or Sci.D. candidates, get assurance in writing from a program officer that Ed.M. and Ed.D. candidates are permitted to apply.

**Competitions with MULTIPLE, ROLLING, OR VARYING DEADLINES** are listed near the end of this document, after the lists of deadlines by month. It contains many important entries, so don't miss it!

**INTERNATIONAL STUDENTS**

Special outside funding lists for international students are located at

<http://www.gse.harvard.edu/~finaid/intlsourcefunding.html>.

**MORE INFORMATION on OUTSIDE SOURCES of FUNDING**

The Financial Aid and Fellowship Office web pages are full of useful information. See

<http://www.gse.harvard.edu/~finaid/fellowoffice.html>

for more on outside funding sources, including free websearch sites, and links to other fellowship database sites including (for Harvard students) Harvard's subscriber databases.

**Miscellaneous - - -**

**SCAMS**

Unfortunately, scams exist in the world of fellowships and scholarships. Never pay a fee in order to compete for a scholarship or fellowship. Any group which asks for even a small payment is suspect. Another clue to legitimacy: The address, telephone number, and other contact information, as well as information about the organization itself, should be published where you can see it online--and verify its existence.

# HGSE ABBREVIATED DIRECTORY OF FELLOWSHIPS

Emphasis on graduate studies in the field of education. Organized by deadline date.
