HARVARD UNIVERSITY OFFICE FOR SPONSORED RESEARCH (OSR)

Harvard's Subscribed databases

http://vpf-web.harvard.edu/osr/funding/fund_funding_db.shtml

SPIN (Sponsored Programs Information Network)

COS (Community of Science Funding Opportunities-- all disciplines included)

These databases list thousands of scholarship, fellowship, and grant opportunities.

If you are an prospective applicant, or away from Cambridge, try the nearest large library, or a library and a college or university which may subscribe to these or other similar databases.

It's advisable to approach these databases a little at a time, to avoid being overwhelmed. (Make notes on what keywords or other search cues you have used, so you don't cover the same material more than once.) See the tips below:

HARVARD UNIVERSITY TRAVELING FELLOWSHIPS

<http://www.scholarship.harvard.edu/tf/ffunds.html>

Note: Applicants must have completed a full year of graduate study at the University before the time of application, to be eligible. Awards are given primarily to U.S. citizens. HGSE students apply through Fellowship Office.
