

HARVARD GRADUATE SCHOOL OF EDUCATION

2023-2024 ACADEMIC YEAR TUITION & COST SUMMARY

Tuition Charges

The following tuition and fee charges are in effect for the 2023-2024 academic year and are subject to change for future years. Tuition and fee charges for the 2024-2025 academic year are published in March 2024.

FULL-TIME STUDENTS	Per Academic Year	\$57,246
PART-TIME STUDENTS	Per Academic Year	\$28,623
STUDENT ACTIVITY FEE	Per Academic Year	\$75
HEALTH INSURANCE FEES (STUDENT HEALTH INSURANCE PLAN + STUDENT HEALTH FEE)	Per Academic Year	\$5,528

Full Cost Details

Please note the Standard Student Budget includes actual tuition and fee amounts as well as estimated allowances for related educational expenses. Tuition and Health Insurance Fees are expenses that are directly billed to students, while all other categories are estimated allowances that should not be exceeded. Financial aid eligibility is determined using the standard following cost estimates- updated estimates are published annually in March for the upcoming academic year.

For full details regarding the Ph.D. costs, visit the Graduate School of Arts and Sciences (GSAS) [Tuition and Fees page](#).

Tuition and Fees

Tuition and fee costs are subject to change and are determined each year. Please be aware that future tuition costs, fees, and standard student budget amounts may differ from year to year. Updated figures will be published on this website and in future editions of the *Financing Your Education guide*, which is updated on a yearly basis. Information regarding health insurance fees, coverage, and waivers can be found on the [Harvard University Student Health Program website](#). Online part-time Ed.M. students will not be automatically enrolled into the comprehensive student health insurance program. Information regarding billing and payment dates can be found through [Harvard Student Accounts](#).
