EDUCATION

1983	Ph.D., Statistics, Harvard University , Graduate School of Arts and Sciences
1977	A. M., Statistics, Harvard University , Graduate School of Arts and Sciences
1976	B. A., Mathematics, State University of New York at Albany , <i>summa cum laude</i>

PROFESSIONAL EXPERIENCE

1984-present	Harvard University
2008-present	Senior Vice Provost for Faculty
2001-present	James Bryant Conant Professor of Education
1999-2004	Academic Dean, Harvard Graduate School of Education
2001-2002	Acting Dean, Harvard Graduate School of Education
1993-present	Professor of Education
1989-1993	Associate Professor of Education
1984-1989	Assistant Professor of Education
1982-1988	Senior Research Associate, Children's Hospital , Boston, MA
1977-1982	Research Analyst, Abt Associates Inc. , Cambridge, MA

PROFESSIONAL HONORS AND AWARDS

2014	Janet L. Norwood Award for Outstanding Achievement by a Woman in the Statistical Sciences , University of Alabama, Birmingham
2012	Elected Fellow, American Statistical Association (“for substantial contributions to quantitative methods used in social, educational, and behavioral research; for pedagogical innovations and outstanding teaching of generations of students; and for significant leadership and service to the statistics profession, educational statistics research community, and higher education.”)
2008	Elected Fellow, American Educational Research Association (initial class of Fellows)
2003	Elected Member, National Academy of Education

- 2003 **PROSE Award, Honorable Mention, Mathematics & Statistics**, Association of American Publishers, Professional and Scholarly Division, for an outstanding professional, reference, text or scholarly work: *Applied Longitudinal Data Analysis: Modeling Change and Event Occurrence*
- 2000- **Fellowship at the Center for Advanced Study in the Behavioral Sciences**, Stanford University (nominated in 2000; hopeful residence at a future date)
- 1994-1997 **Faculty Mentor Award**, The Spencer Foundation
- 1994 **Elected Member, Society for Multivariate Experimental Psychology**
- 1994 **Distinguished Researcher Award**, Special Interest Group on Special Education Research, American Educational Research Association
- 1993 **Review of Research Award**, presented by the American Educational Research Association in recognition of an outstanding review of research article appearing in an AERA-sponsored publication: Willett, J. B., and Singer, J. D. (1991). From Whether to When: New Methods for Studying Student Dropout and Teacher Attrition, *Review of Educational Research*, 61(4), 407-450
- 1992-1993 **American Statistical Association Visiting Research Fellowship**, funded by the *National Science Foundation*, served in residence at the *National Center for Education Statistics*, Washington, DC
- 1992 **Raymond B. Cattell Early Career Award for Programmatic Research**, presented by the American Educational Research Association in recognition of a scholar who has conducted a distinguished program of cumulative education research within the first decade following receipt of the doctoral degree
- 1990 **Palmer O. Johnson Award**, presented by the American Educational Research Association for an outstanding article in an AERA publication: Murnane, R. J., Singer, J. D., and Willett, J. B. (1988). The Career Paths of Teachers: Implications for Teacher Supply and Methodological Lessons for Research, *Educational Researcher*, 17(6), 22-30.
- 1989-1991 **National Academy of Education Post-Doctoral Research Fellowship**, funded by the Spencer Foundation
- 1977-1979 **Graduate Fellowship**, Harvard University, Graduate School of Arts and Sciences
- 1975 **Phi Beta Kappa**, elected as a junior, State University of New York at Albany
- 1972-1976 New York State **Regent's Scholarship**

BOARD MEMBERSHIPS

- 2012-present Board of Directors, **National Board of Education Sciences, Institute of Education Sciences (IES), US Department of Education**. Presidential appointment with Senate Confirmation. Initially nominated and confirmed in 2012. Re-nominated in 2014 for a second term
- 2005-present Board of Directors, **Society for Research on Educational Effectiveness**

SELECTED OUTSIDE PROFESSIONAL ACTIVITIES

2015-	Chair, Workshop Series on Methods and Policy Uses of International Large-Scale Assessments, National Academy of Education/National Research Council, grant from the Institute for Education Sciences
2013-2015	E. F. Lindquist Award Selection Committee, American Educational Research Association
2011-2012	Research Advisory Panel, Education Writers Association
2011	Research Advisory Panel, Single Case Study Designs, Institute of Education Sciences grant to the What Works Clearinghouse.
2011-	Research Advisory Committee, A Systems Approach to Advancing Workforce Inclusion and Diversity, National Institutes of Health Pathfinder Grant to Harvard Medical School
2010-2012	Technical Work Group, Early College High School Initiative, Bill & Melinda Gates Foundation, American Institutes for Research
2010	Research Advisory Panel, Linking Parenting Behaviors to Child Well-Being, US Department of Health and Human Services
2009-2010	Research Advisory Panel, Evaluation of American Recovery and Reinvestment Act Education Programs, Institute for Education Sciences, US Department of Education
2009	International Assessment Board, Programme of Research in Third Level Institutions, Irish Higher Education Authority
2008-2010	National Research Council, Steering Committee on Value-Added Methodology for Instructional Improvement, Program Evaluation, and Accountability
2007	International Assessment Board, Graduate Research Education Programme, Irish Research Council for the Humanities and Social Sciences
2006-2007	Technical Working Group, US Department of Education's National Assessment of Progress under Individuals with Disabilities Education Act
2006	National Research Council, Committee on US Department of Education's Promising Education Initiatives
2005-2009	National Academy of Education, Post-Doctoral Fellowship Program Selection Committee
2005	National Research Council, Symposium on Use of School Level Assessment Data
2005	National Cancer Institute, Workshop on Designing the National Longitudinal Study of Tobacco Use
2005	American Statistical Association, Workshop on Statistics in Mathematics Education Research
2004	National Science Foundation, External Reviewer, Mathematical, Social and Behavioral Sciences Competition, Methodology, Measurement and Statistics Program

2004	What Works Clearinghouse, External Reviewer, Duke University and the Campbell Collaborative
2004	William T. Grant Foundation, Workshop on Group-Level Randomized Trials
2004-2005	National Academy of Education Board Nominating Committee
2002-2004	Palmer O. Johnson Memorial Award Selection Committee, American Educational Research Association
2000	Teacher's College, Columbia University, Workshop on Developing Criteria for Evaluating School Choice Studies
1998-1999	Spencer Foundation Dissertation Fellowship Program Selection Committee
1996	Federation of Behavioral, Psychological, and Cognitive Sciences, Forum on Research Management
1994-1995	Chair, Raymond B. Cattell Early Career Award Selection Committee, American Educational Research Association
1993-1994	National Center for Education Statistics, Schools and Staffing Survey, Panel on the Design of the Longitudinal Follow-Up Study
1993-1994	Raymond B. Cattell Early Career Award Selection Committee, American Educational Research Association
1992	National Center for Education Statistics, Early Childhood Longitudinal Study, Invited Participant, Conference on Critical Variables
1992	National Science Foundation, Conference on Statistical Education
1992-1994	National Advisory Panel, Practice Improvement Center on the Effective and Efficient Use of Technology, Media, and Materials in the Provision of Education and Related Services to Children and Youth With Disabilities, US Department of Education
1991	Canadian Ministry of Community and Social Services, Children's Services Branch, External Reviewer, Ontario Child Health Study
1991-1994	National Advisory Panel, National Science Foundation, An Activity-Based Introductory Statistics Course for All Undergraduates
1991	National Advisory Panel, US Department of Agriculture, Evaluation of Dietary Guidance Graphic Alternatives
1991	Institute on Statistical Analysis for Education Policy, sponsored by the American Educational Research Association and the National Center for Education Statistics
1987-1988	National Advisory Panel, Who Were America's Teachers: Towards a Social History and Public Use Archive, Harvard Graduate School of Education and the Spencer Foundation
1986-1989	Faculty Sponsor, Seminar on Methodology in Learning and Education, Harvard University, Graduate School of Education
1986-1989	Faculty Seminar on Assessment in Higher Education, Harvard University
1984-1986	Radcliffe College, Faculty Advisor, Summer Program in Science

1984	Seminar in Research Design for Fellows in Ambulatory Pediatrics, Children's Hospital
1983-1985	Quantitative Evaluation Seminar, Harvard University, Department of Statistics
1979-1980	Faculty Evaluation Seminar, Harvard University, Kennedy School of Government
1976-1978	Faculty Seminar in Health and Medicine, Harvard University, School of Public Health

RESEARCH FUNDING

1997-2007	Co-principal Investigator, Bridging the Gap between Methodology and Substance: Advances in Study Design and Statistical Analysis for Educational Research, Spencer Foundation.
1993-1995	Co-principal Investigator, How Do Parents Choose Early School Settings?: The Influence of Family Structure and Parenting Practices, American Educational Research Association
1991-1995	Principal Investigator, From Whether to When: Modeling Student Careers Using Survival Analysis, Harvard University, Faculty Research and Innovation Fund
1991-1994	Principal Investigator, Modeling Student Dropout and Graduation Patterns Using Survival Analysis, Harvard University, William F. Milton Fund
1990-1998	Principal Investigator, Improving the Teaching of Statistics, Fund for Teaching and Curriculum Quality, Harvard University, Graduate School of Education
1989-1991	Post-Doctoral Fellow, The Career Paths of Special Educators: Replacing Speculation with Evidence, National Academy of Education
1986-1988	Principal Investigator, Study of Per Child Costs Among Elementary School Special Education Students, US Department of Education, Office of Special Education and Rehabilitative Services
1986-1987	Principal Investigator, Analysis of Data on the Psychosocial Adjustment of Young Children with Handicaps, William T. Grant Foundation
1986-1987	Co-principal Investigator, Improving School Placements for Children with Handicaps, The Commonwealth Fund
1981-1986	Director of Research, Collaborative Study of Children with Special Needs, The Robert Wood Johnson Foundation and the Commonwealth Fund
1985-1986	Principal Investigator, Modeling Multilevel Effects in Educational Research, Spencer Foundation
1980-1982	Principal Investigator, Auditory and Non-auditory effects of Occupational Noise Exposure, US Environmental Protection Agency, Office of Noise Abatement and Control
1979-1981	Director of Research, Dietary Intake and Food Patterns Related to Nutritional Anemia, US Department of Health, Education and Welfare, Office of the Assistant Secretary for Health

1978-1980 Director of Research, National Day Care Home Study, US Department of Health,
Education and Welfare, Administration for Children, Youth and Families

SELECTED STATISTICAL CONSULTING ACTIVITIES

2000-2004	Center for Applied Linguistics, Washington, DC
1999	Westat, Head Start Family and Child Experiences Study
