and Analysis

**Concentrations**  
will enable students to  
develop specialized  
knowledge and engage in  
topic-specific activities.  
They can be combined  
with any Program.

The Concentrations we  
will offer include:

- Arts & Learning**
- Early Childhood  
Education**
- Global Education**
- Higher Education**
- Migration &  
Education**

*Additional Concentrations  
are in development.*

Together, **Programs** and  
**Concentrations** allow  
students to construct  
personalized pathways to  
meet their academic and  
professional interests.
